N. ENVIRONMENTAL CONCERNS AND DISPOSAL

Electric and electronic appliances and enclosed batteries contain materials, components and substances that can be damaging to people's health and to the environment, if the waste is not disposed of correctly.

Electric and electronic appliances and batteries are marked with a crossed-out wheelie bin symbol as illustrated below. It indicates that electric and electronic appliances and batteries are banned from being disposed of as general household waste, and have to be collected separately.

Please ask you dealer about current means of disposal.

- The contents of this manual are subject to change without notice.
- The manufacturer and its suppliers accept no liability whatsoever for any damage, expense, loss of profits or any other damage incurred as a result of using this product.
