About MODA MEDIA

MODA is Portuguese word, which means Modern and Fashion. Now MODA is the latest new product of Bittel Designed by famous Danish designer, which means Modern, Modular and Stylish.

MODA combines the unique design and many good & useful features in one.

About JACOB JENSEN DESIGN

The Scandinavian designer Jacob Jensen established his studio in 1958 and over the followed decades created the revolutionary, pure and now classic form language which made him one of the world's most recognized designers.

Jacob Jensen has 19 products included in the Design Study Collection and the Design Collection of The Museum of Modern Art in New York, USA.

About BITTEL

Bittel is a professional provider of innovative technology solutions for the global hospitality industry.
